Tanvir Kabir

Front-End Developer

I love making complex problems simple and creating beautiful, intuitive web designs. With over a year of experience as a Web Developer, I am always ready to prove myself through my work and take on responsibilities. I aim to be an outstanding performer and enjoy learning something new every day.

WORK EXPERIENCE

Frontend Developer Jan-2023 to Present
Xemiron IT Solutions

At Xemiron, I developed user-friendly web interfaces, collaborated with cross-functional teams, and implemented innovative solutions to enhance performance and responsiveness. I focused on improving user experiences and staying updated with the latest technologies.

RECENT PROJECTS

Car Mats King - Premium Custom-Fit Car Mats

Developed a responsive and visually appealing user interface, ensuring optimal performance across devices. Collaborated with designers and backend developers for a cohesive product.
